

2017-18 Jeffco GT Parent Seminar

Parents of gifted children need access to a variety of resources, networking and support to help guide them through their child's academic journey.

The Gifted and Talented Department will be offering Parent Seminars in conjunction with JACG (Jefferson County Association for Gifted Children). The presentations are prepared by various professionals on issues related to gifted children.

The Parent Seminars focus on supporting the children, parents and educators while offering the resources and networking that are needed.
