JEFFCO'S 21st CENTURY **VIRTUAL** academy

Where virtually **ANYTHING** is possible!

*Backed by Jeffco Public School's 50 years
of experience educating students*

Jeffco's 21st Century Virtual Academy offers online high school level courses for students throughout Colorado. All you need is access to a computer and the Internet to get started. Financial assistance is available if needed.

The Virtual Academy seeks to enroll students who >>

- may not be fully successful within the traditional school setting
- need a fresh start or second chance
- are working, athletes, performers or artists
- desire a flexible learning environment that takes an "anytime, anywhere" approach
- need a learning environment where they can accelerate their learning
- children of military families
- are interested in returning to school with the goal of graduation
- seek preparation for a successful life after high school in the 21st Century

Flexible education options >>

We know that educational success means different things to different people, that's why our online classes are designed to meet a wide variety of needs.

Study **full time** and receive a Jeffco high school diploma,

study **part time** while attending classes at another school, or

take **supplemental classes** to catch up on credits, **accelerate graduation** or meet course requirements.

Rigorous Curriculum >>

The Virtual Academy offers a growing list of challenging courses in core subjects like Math, English, Social Studies and Science. There are also elective classes such as Video Game Design, Outdoor Adventure and Chinese.

Courses provide a variety of interactive exercises, videos, reading assignments, assessments, live and recorded sessions and classroom discussions. All courses are aligned to state standards and meets Jeffco Public Schools' rigorous curricular expectations.

In addition to our rigorous and engaging curriculum, students also participate in regular progress monitoring using a standardized assessment which provides data to help teachers set goals for the continued achievement of their students.

Support at your fingertips >>

Students receive **personalized attention** from their highly qualified teachers through phone calls, e-mail and class discussions. Counselors and advisors are also available to provide career advice and support to ensure student success.

Free Tuition >>

Full and part-time enrollment is **tuition-free** for all Colorado high school students age 14-20. Supplemental classes are fee-based. Financial assistance is available for those who qualify to offset supplemental tuition, materials, computer and Internet access. Tuition-based classes are also available for students of all ages.

Get started today >>

Classes start in the fall for full and part-time enrollment. Supplemental classes begin monthly. Sign up for information sessions throughout the Front Range or via Web conference.
