JEFFCO'S 21st CENTURY **VIRTUAL** academy

Where virtually ANYTHING is possible!

Backed by Jeffco Public Schools' fifty years of experience educating students.

Jeffco's Virtual Academy offers online courses for students in grades 7-12 throughout Colorado. All you need is access to a computer and the Internet to get started. Financial assistance is available if needed.

The Virtual Academy May Be Right For You If You: >>

- desire a flexible learning environment that takes an "anytime, anywhere" approach
- want to be prepared for success in the 21st Century
- are homebound
- are an athlete, performer or artist
- are working

Flexible Education Options >>

We know that educational success means different things to different people; that's why our online classes are designed to meet a wide variety of needs. Study full time and receive a Jeffco high school diploma, go part time while attending classes at another Jeffco school, or take credit recovery classes to catch up on credits.

Rigorous Curriculum >>

The Virtual Academy offers a growing list of challenging courses in core subjects like Math, English, Social Studies and Science. There are also elective classes in subjects such as Video Game Design, Recreation Sports and Chinese.

Courses provide a variety of different interactive exercises, videos, reading assignments, quizzes, live and recorded sessions and classroom discussions. Our curriculum meets the Colorado State Standards and is aligned with Jeffco's curriculum standards which are rigorous and relevant. We opened our doors in 2009-10 and met 100% of our Adequate Yearly Progress targets in our first year. Our teachers are Colorado licensed and highly qualified Jeffco teachers.

Community Connection >>

We aim to create a strong sense of community so our students and families do not feel any sense of isolation in a virtual world. We offer a variety of extra-curricular activities including an Outdoor Adventure Club, Yearbook, Grad Pad, and Destination Imagination. We offer monthly academic and social events in virtual and face-to-face settings. Our goal is to provide a full school experience for students and families. You can find more information about our clubs and events by visiting our website.

Support At Your Fingertips >>

Every student receives **personalized attention** from their highly qualified teachers through phone calls, e-mail, and class discussions. Counselors and student outreach staff are also available to provide career advice and support to ensure student success.

Free Tuition >>

The Virtual Academy is **tuition-free** for all Colorado students, grades 7-12. Credit recovery classes are fee-based. To offset materials, computer, and Internet access costs, financial assistance is available for those who qualify.

Get Started Today >>

Classes start in the fall for full and part-time enrollment. To find out more or learn about upcoming webinars, visit our website at www.jeffcopublicschools.org/online/

Honored by The Center for Digital Education, the National School Boards Association and Converge Online magazine for exemplary use of technology.
