

## RESOLUTION

WHEREAS, the Board of Education of Jefferson County Public Schools has resolved that a waiver of the required number of hours for high students is necessary for Bear Creek High School; and,

WHEREAS, the closing of school between April 24 and April 28, 2008 has contributed to the need for this request; and,

WHEREAS, school will be held beginning on April 29 in Bear Creek Senior High. Because the entire building is not available, students will attend approximately four hours per day for the remainder of the school day. The reduced school day will result in students at Bear Creek not attending school the number of hours required by the state of Colorado.

WHEREAS, in order to not impact school funding, Jefferson County Public Schools will request a waiver of 30 hours for grades nine through eleven and 12.7 hours for grade 12.

THEREFORE, IT IS RESOLVED, that the Board of Education is requesting a waiver of hours for Bear Creek High School.

Approved this 1<sup>st</sup> day of May 2008.
