5. **My child's application was approved last year. Do I need to fill out a new one?** Yes. Your child's application is only good for that school year and for the first 30 days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year. If you do not send in a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.
6. **I receive WIC. Can my children receive free meals?** Children in households participating in WIC may be eligible for free or reduced price meals. Please send in an application.
7. **Will the information I give be checked?** You may be selected to provide written proof of the household income you provide.
8. **If I don't qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.

11. **What if my income is not always the same?** List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
12. **What if some household members have no income to report?** Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
13. **We are in the military. Do we report our income differently?** Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
14. **What if there isn't enough space on the application for my family?** List any additional household members on a separate piece of paper, and attach it to your application.
