Campus Safety Programming

The CELL Community Awareness Program

Stop the Bleed Training for Educators
I Feel Safe at School

![Graph showing safety perceptions over time by grade level. The graph indicates a trend where elementary schools consistently feel safer, while middle and high schools show fluctuations.](image-url)
Big challenges

Do not have a funding stream to enhance school safety in 50 year old buildings
Mental health support

One per building is approximately $13 million a year
4,800 classrooms

1,300 locks changed this year.
Approximately $4 million to complete the project
Emergency Communications System needed

Video up next
Window Safety Film

Video demonstration

Approx $5 per sq ft
Video surveillance
Upgrades needed at elementary, middle and high schools
Elephant in the room
More guns? No guns?
Engagement

Your opportunity to engage with decision makers.
Your opportunity to make your voice heard
Your opportunity to share your priorities with us
Your opportunity to help shape our school safety vision
