DID YOU KNOW?

- On average, high school graduates earn \$175 more per week than dropouts.
- A dropout will earn \$500,000 less than a high school graduate over a lifetime of full-time employment.
- They will make \$1 million less than a college graduate.
- Many employers require a high school diploma.
- Dropouts live on the average 9.2 years less than someone with a high school diploma.
- Dropouts are much more likely to be unemployed, living in poverty, receiving public assistance, in prison, unhealthy, divorced, and/or single parents.
- Students drop out for a variety of reasons, but they agree on one thing –

DROPPING OUT
WAS A MISTAKE.
