What are our goals for tonight?

- Provide an understanding around how we identify
- Communicate how to start the ALP Process and attain entrance into the GT Center Program
- Receive an overview of GT Programming in Jefferson County
- Connect community to GT Resources
- Individual Q&A at the end
"Gifted and talented children" are those learners between the ages of four and eighteen whose abilities, talents, and/or potential for accomplishment are so exceptional or developmentally advanced that they require special provisions to meet their educational programming needs. Children under five who are gifted may also be provided with early childhood special educational services.

Gifted students include students with disabilities (i.e. twice-exceptional) and students with exceptional abilities or potential from all socio-economic and cultural populations. Gifted students are capable of high performance, extraordinary production, or exceptional learning behavior by virtue of any or a combination of these areas of giftedness:

- General or specific intellectual ability
- Specific academic aptitude
- Creative or productive thinking
- Leadership abilities
- Visual arts, performing arts, musical or psychomotor abilities
Bright Child

-Compliant
-Uber Motivated
-Self aware
-Passionately cares about grades
-Totally indifferent toward dragons.

Gifted Child

-Could be any of the Bright attributes
-Divergent thinker
-Differing Motivation
-Asks lots of questions
-Loves all the dragons
Why ID?

HB07-1244: Requires all 57 administrative units in Colorado to adopt and implement a program plan to identify and serve gifted children

HB14-1102  Universal Screening and Qualified Personnel

Exceptional Children’s Education Act requires that administrative units program for, and be accountable for exceptional children including gifted and talented, limited English proficient, and special education.
Pathway 1: Academic Achievement
Pathway 2: Academic Aptitude
Pathway 3: Talent Areas
Pathway 4: General Intellectual
My kiddo has an ALP...

Now What?

Before the ALP: Level appropriate instruction for all

After the ALP:

- Smart Goals
- Progress Monitoring
- Heightened awareness of strength areas
**ALP Life Cycle**

In the Fall teachers, parents and students collaborate to create an ALP SMART Goal that the student will work on throughout the school year.

In the Winter teachers review student data and conference with the students and parents to progress monitor the ALP goal.

In the Spring teachers review the school year’s worth of work to determine whether or not a goal has been achieved or not. Parents are notified either way.

GT Center is the right place?
Considerations

Good fit for GT Center?

- Child has specific needs that would be better met in a center school
- Child is internally motivated and driven
- Child is in need of intellectual peers
What is Early Access?

Under HB08-1021 Highly gifted children are allowed to enter Kindergarten at age 4 or first grade at age 5.

For more information, see our website.
