We know things are different this year, but many of our start-of-school steps remain the same. Below is our standard checklist featuring items families should complete before school starts, no matter the learning environment. Please also watch for information from your specific school about steps to complete before the first day.

When	What	
Open August 1	Registration Update Jeffco Connect	ALL parents/guardians must complete this step to be considered "registered." Review all info, make updates, then save. There are links in JeffcoConnect to fee payment and the meal account system, SchoolCafe.
Open August 1	Registration Pay fees	Fee system opens August 1, 2020. *Middle/High School fee posting may be delayed due to continued planning. While logged in to Jeffco Connect, click on "Jeffco Student Fee Payment" in the bottom of the "User Information" section.
Open Now	Set Up/Add Funds to Meal Accounts and Free & Reduced Meal Application	Families with students who intend to purchase meals need to set up an account in SchoolCafe , if not already done. Funds left in last year's account will automatically roll over. Apply for the Free & Reduced Meals program in SchoolCafe . Families must reapply for this program every school year.
