Data Modernization Introduction

TDPAC Update

TDPAC & Data Modernization

11/14: Introduce data modernization

Early December: TDPAC Deep Dive

Early 2023: TDPAC Engagement w/ Board on all recent topics

Jeffco Thrives Strategic Plan

2022-2023 MAJOR INITIATIVES THAT SPAN ALL 4 PRIORITIES

Major Initiative 1: Implement Healthy & Equitable Start & End Time

- Implementation of new start and end times for the 2023-24 school year

Major Initiative 2: Regional Opportunities for Thriving Schools

- Superintendent recommends schools for consolidation and the District is adequately prepared to support the recommendations including impacted students and staff.

Major Initiative 3: Develop a thriving and inclusive culture aligned with the District's values

- Values-based employee recognition initiatives

Major Initiative 4: Implement a data dashboard

- Dashboard is launched during the 2022-23 school year

Data Modernization Initiative

ESSER III funding is helping us achieve...

- Our initial foundation
  - Implementation partner
  - Infrastructure
  - Alignment with EdFi
  - Initial statement of work scope has been established
- Timeline
  - Now - December 2022: Establish secondary statement of work
  - Now - March 2023: Establish foundation and minimum viable product (SOW 1)
  - March 2023 - June 2023: Minimum viable product delivered to Jeffco (SOW 1)
  - March 2023 - Begin work on SOW 2 with implementation partner
  -

TDPAC Oversight

- Your role: Advisory to the Board of Education

- Establish individuals who will report to the Board

- January 2023: Establish reporting cadence with Board

- Early 2023: In-person quarterly meeting for TDPAC

- Establish and manage accountability alongside all major data initiatives
